Hi Alice – I'm going through the latest draft of the recommendations response memo and the PP today.

P.S. – Becki no longer works in this office. The acting DD is Dana Stalcup.

Just a gentle reminder that I was looking for comments on the Proposed Plan. If you could send comments by Wed 1/15 at noon, they will be reflected in the near final draft I plan to generate by the end of this week.

Attached is a more complete version of the Proposed Plan for the lower 8 miles of the Lower Passaic River. More figures & tables will be sent in subsequent e-mails (3). There is a separate file with notes on how we addressed your comments from last time – please let me know if you would like to receive that as well.

We were hoping for comments by Jan 10.
